Avestha business plans gets top billing

AVESTHA Gengraine Technologies, Bangalore-based agri-biotech company, has been rated amongst the top five life sciences companies for its business plan presented at the TiEcon, 2002 (the world's largest conference on entrepreneurship held in Silicon Valley, US) held at Westin, Santa Clara, California. Out of the 200 business plans received from different areas, five were selected for further consideration in life sciences and five in IT.
